TO WHOM IT MAY CONCERN:

This is to certify that the following caterer is under the supervision of Sunshine State Kosher:

Sapphire Glatt, phone 561-305-6128, email sapphireglatt@gmail.com.

All meat products are glatt, bishul Yisroel, and pas Yisroel and will be labeled as "meat." Dairy products are cholov stam, pas yisroel and will be labeled as "dairy."

A mashgiach temidi is on site at all times during food preparation and during catered events. Additionally, catered events must display kashrus status signage provided by Sunshine State Kosher. "Drop off" products must bear the kashrus tape of Sunshine State Kosher.

This certification does not include Passover. A separate letter to that effect must be displayed.

This letter contains a watermark and is effective from January 1, 2024, through June 30, 2024 (3"תש 2024 - 3"תש 2024). It is subject to renewal at that time.
